Terms and Conditions

Customers are encouraged to call-in to RSVP for the Personalised Skin Experience sessions. Seats are allocated on a first-come, first-served basis.

Customers are only entitled to purchase a maximum of one quantity per product for the promotion that gives them a 50% discount off recommended Bioderma products.

Ongoing promotions and gifts with purchase are only valid during Bioderma Singapore's events happening from February 2017 to April 2017, across various locations and strictly while stocks last.

In the event where the stipulated gifts with purchases are out of stock, Bioderma Singapore reserves all rights to change or remove the promotion entirely.
